**Report**

The work shop on "How to prepare A Research Project" was organized by Department of Management of St.Vincent Pallotti College, Raipur, for the students of BBA-6<sup>th</sup> Semester and M.Com 4<sup>th</sup> Semester from 14.02.2023 till 16.02.2023 with objective of providing comprehensive knowledge of the various stages involved in preparing a research project. It covered topics such as selection of Research Title and Objectives, Research Methodology, Designing Questionnaires, and Presenting Data Graphically.

**Day 1 - 14.02.2023: Selection of Title & Objectives for Research Project**

**Speaker: Dr. Prachi Singh**

The first day focused on the importance of selecting a suitable title and clear objectives for a research project. Dr. Prachi Singh guided students on how to formulate research titles that effectively convey the essence of their study and how to define clear and achievable objectives.

**Day 2 - 15.02.2023: Research Methodology & Questionnaire**

**Speaker: Dr. Prachi Singh**

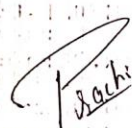

Day two delved into research methodology and questionnaire design. Dr. Prachi Singh explained various research methodologies and helped students understand how to select the most appropriate methodology for their projects. Practical guidance was provided on designing effective questionnaires to collect relevant data.

**Day 3 - 16.02.2023: Graphical Representation & Interpretation**

**Speaker: Ms. Aanchal Mishra**

The final day focused on graphical representation and interpretation of data. Ms. Aanchal Mishra demonstrated how to effectively present research findings using graphs, charts, and tables. Students learned the importance of clear data representation and techniques for interpreting data accurately.

Participants found the workshop informative and practical, with many expressing increased confidence in their research project preparation skills. The workshop series concluded successfully, equipping students with valuable skills and knowledge essential for preparing a research project. Participants were encouraged to apply the learning's to their own research projects and seek further guidance as needed. Dr. Prachi Singh was the In-charge of the workshop.
