Conclusion :

This brief Annual Report can be concluded by saying that St. Vincent Pallotti College will strive to remain an enlightened place of learning, where we continue to push boundaries of knowledge, nurture critical enquiry, foster democratic partnerships and build an empowered community. The college will continue its journey towards the ultimate goal of education as said by late Dr. Sarvapalli Radhakrishnan, "Education, to be complete, must be humane; it must include not only the training of the intellect but the refinement of the heart and the discipline of the spirit. No education can be regarded as complete if it neglects the heart and the spirit."
