Mechanism of Internal Assessment

- **Schedule of Class Assessment Test & model Examination and assignment is given in academic calendar which is displayed well in advance before commencement of session.**

- **The course teachers display question bank in advance for their respective subjects.**

- **Evaluation method comprises of internal examinations held progressively during the semester and is designed to check and report the periodic performance of the students.**

- **All the records and data bank of attendance in internal Examinations, Question papers, checked answer sheets/ copies, summary of marks sheets are properly maintained by teachers for academic monitoring.**

- **There is complete transparency in the internal assessment for each assessment method as described below.**

Process of Question paper generation and Conduction of Pre-University Examination and Unit Test

For semester/ yearly courses one Pre- University exam and two Unit Tests are conducted as per the scheme followed by the University. The Exam/ Test schedule is displayed on the notice board and departmental whatsapp group. The syllabus of the Exam/ Test is disseminated to students in the class well in advance.

Syllabus portion is decided by the subject Incharge	Question Paper format is as per the affiliating University
Question papers are prepared by the examinerand submitted to the Examination Incharge	Copies of question paper is made and bundled based on the number of students
Examination is conducted under the supervision of the HOD and Exam incharge .	After the examination answer books are sealed and kept in the respective department.
The answesheets are handed over to the subject teachers for correction.	

Evaluation of Answer sheets and Result declaration

Faculties prepare the model solutions and do the evaluation of answer books in the exam section. The solution of each question is discussed and the evaluated answer books are shown to students to maintain transparency.

Model solutions are prepared by the Examiner

Answer sheets are evaluated and shown to the students

Grievance if any, is resolved by the examiner

Marks are entered and marklist is generated

Result is declared by the Examination Incharge
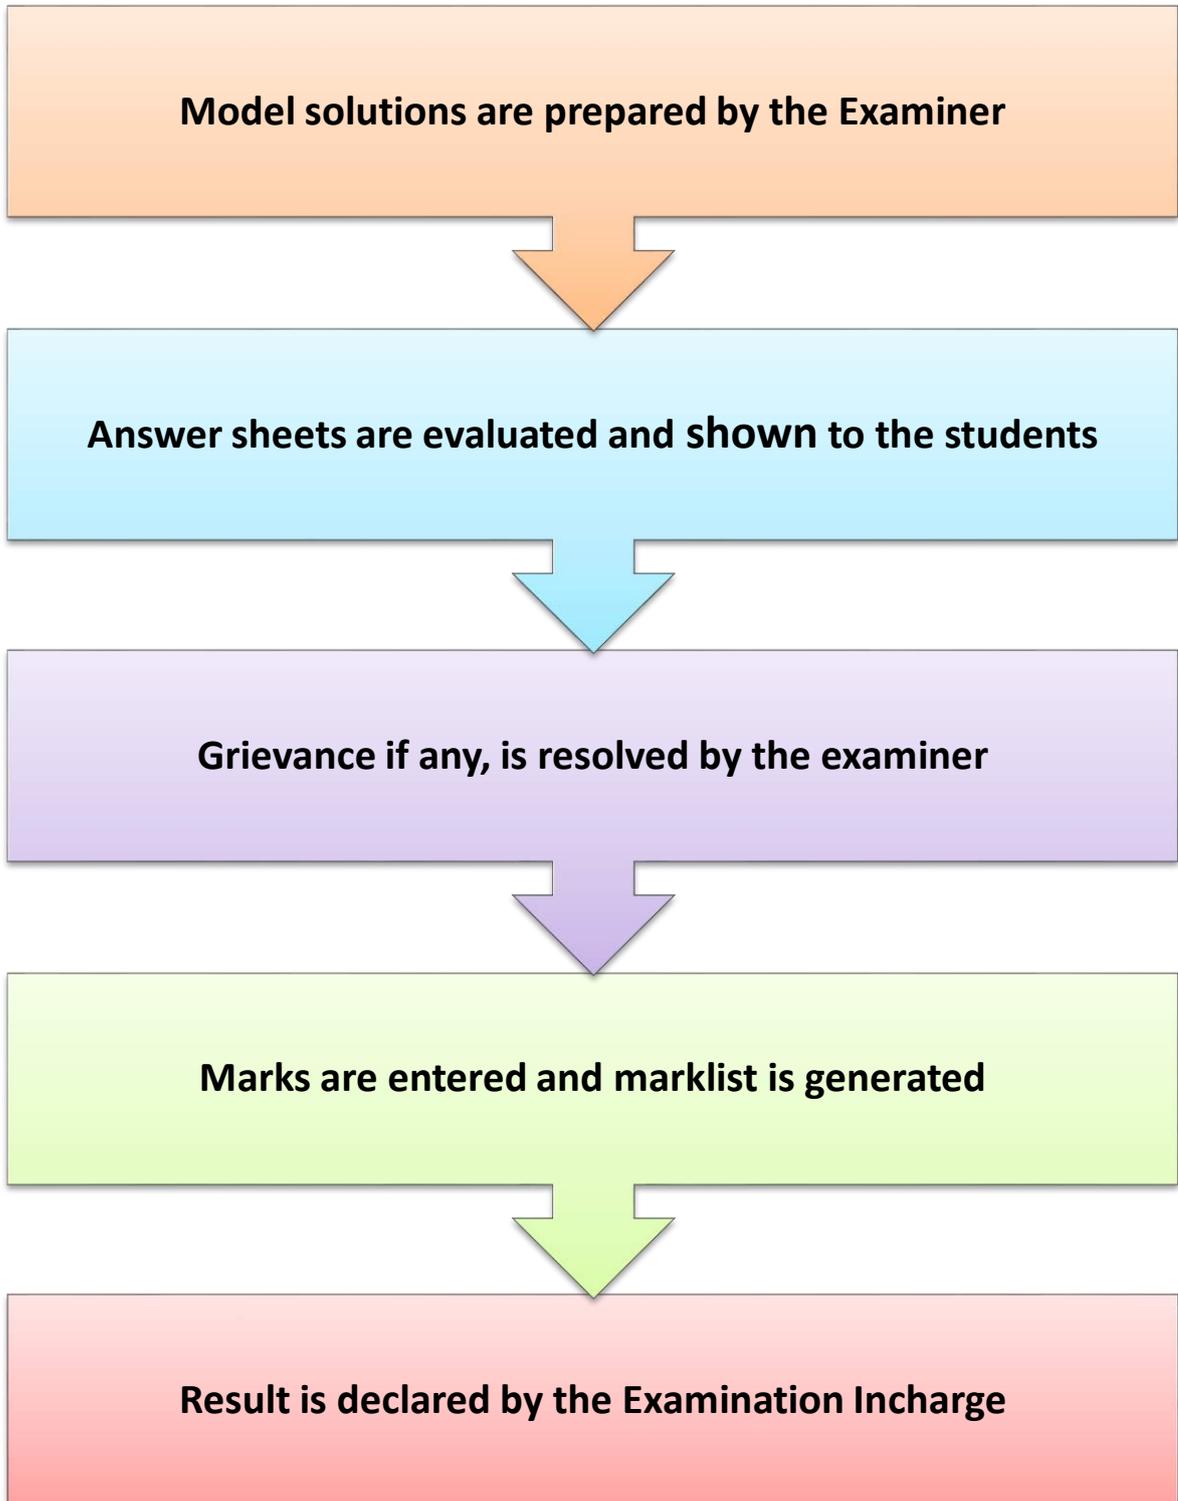

Practical Examination:

Students undertake the practical work in each semester Evaluation is done with transparency based on different parameters like Teachers Assessment, practical Records, performance and Viva-Voce.

Attendance:

Attendance is considered an important factor and therefore is given due weightage in Internal assessment. The class attendance holds 10% marks of the total internal marks.

Project:

Projects vary from course to course. The students are required to undertake a project of their respective subject and complete it under the guidance of their teachers.

Assignments:

Assignment questions are discussed with the students. The students submit two assignments under the supervision of their subject teacher.

Presentations:

Presentations are considered as a form of assessment that calls on students to express their knowledge and understanding of a topic.
