**CAREER WINGS CLUB ACTIVITY
"A RESUME MAKING PROGRAM"
10TH JULY 2021, SATURDAY**

An Informational activity of "A RESUME MAKING PROGRAM" was organized by CAREER WINGS (PLACEMENT) club, which was held on 10th of July 2021, on Saturday from 11:10 pm onwards at the zoom meeting. It was well planned program & many students had participated in this program voluntarily.

The objectives of the career wings club are :

- To prepare students for campus recruitment arranging training in Aptitude tests, Group discussions, preparing for Technical and Teacher interviews through professional trainers.
- To promote career counseling by organizing guest lectures viz. senior scholars and most importantly by the immediately placed senior students.
- To assist students in obtaining placement in reputed schools.
- To organize on-campus off-campus interviews. for final year students and internship (training) for students with schools and reputed institutes.
- To maintain regular interaction with schools through Seminars- workshops, Guest Lectures and Conferences etc.
- Identify suitable potential educational institutions and help them achieve their hiring goals.
- Organize activities concerning career planning.
- Act as a bridge between students. alumni and Schools.
- Take feedback from educational institutions and provide inputs for curriculum.

A team of twenty club members along with the help of club co-ordinator Mrs. Gayatri Iyengar were present to organize the activity. Soumya Sharma welcomed everyone and gave an information about the activity. After that the objectives of club were explained by Afsa Tarannum. Aishwarya Verma gave the introduction of Resume making program, what is resume and its types? Explanation of preparation of Resume was conducted by Divyashaily Sahu and Saurav Prasad in detail. Vote of thanks was proposed by Heena Banjare on behalf of the career wings club. Soumya sharma delivered a motivational quote and thanked each and everyone for making the event a resounding success. As a token of reward, the participants were certified with an appreciation certificate. Innumerable approbation were provided by the students via google feedback form generated by the members of the club. The team advisor Mrs. Gayatri Iyengar appreciated all those who participated in the activity and for making the program successful one. At the end of the activity, Principal Dr. Kuldeep Dubey sir, HOD Mrs. Gayatri Iyengar and the teachers gave their positive opinion about the program and appreciated the club members for their dedication . hard-work and perseverance.

Session: 2021-22

"Career Counselling Session for B.Com. III passed-out students"

Online career counselling was conducted by the Department of Computer Science for BCOM passed out students on 17/08/2021. The career counselling and guidance session took by Mrs. Pooja Rathi, Head of computer science department. Aim to counsel and guide the young generation for defining their career path ahead. It also help to develop understanding and competencies required to counsel students especially in their adolescence.

Mrs. Pooja Rathi shared knowledge on PGDCA program. She added that it is one year post graduate diploma course that majorly focuses on imparting theoretical as well as practical knowledge on Computer Science and Computer Applications to its students. She informed about the eligibility criteria for admission in PGDCA, program content, scholarship schemes, teaching methods, etc .

She briefed the students on Post-PGDCA job opportunities available in public and private sectors. She cleared the doubts arose by the students. Students were very happy with the session. Principal Dr. Kuldeep Dubey also graced the event and addressed the students.

Session: 2021-22

3 Day Seminar
on
"Software Testing and Future Scope"

Department of Computer Science has organized a 3-day seminar on "Software Testing and Future Scope" for BCA students from 16th-18th September 2021. Mr. Almukhtar Khan, Quality Assurance, Deloitte, USI has given the training to the students in the seminar. Objective of this seminar was making students aware about the fundamentals of Software Testing and career opportunities in software testing. The seminar was started with the blessing and introductory speech by HOD Mrs. Pooja Rathi. Principal, Dr. Kuldeep Dubey also addressed the gathering and motivated the students to participate actively.

Daywise schedule of the seminar was:

- **Day-1:** Mr. Almukhtar Khan shared knowledge about software development, its demand and stages of software development life cycle (SDLC).
- **Day-2:** In this session the trainer explained software testing by using case study. He discussed all stages of forms and explained by example with fields and forms like: Login, Registration and Admin etc.
- **Day-3:** In this session Mr. Khan explained about types of testing, advantages and disadvantages of each type. He focused on how to know the need of particular organization and expectations in related software. He discussed about the system testing, integration testing with examples.
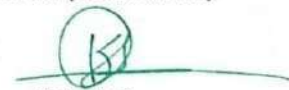

In the 3-day seminar students have taken keen interest to learn new things. Also, each day's training was followed by question-answer session were the Resource Person have cleared all the doubts.

The efforts of computer science department were appreciated by the Principal Dr. Kuldeep Dubey, Assistant Director Fr. Kindo and Vice Principal Dr. G.Padma Gouri. Mrs. Pooja Rathi, HOD, Computer Science, had shown her gratitude to principal, college management and participants.

The session was ended with the vote of thanks by Ms. Rupali Sharma. Students reported that they have got good knowledge and this will be very helpful to solve real life problems. They were very satisfied and have demanded more such seminar in future.

Aptitude Test- Report

St. Vincent Pallotti College, Raipur
Department of Computer Science
Session-2021-22

Activity – Aptitude Test for Students of BCA and PGDCA
Topic: Maths, Logical Reasoning, Computer and General Awareness

Organized on – 13/11/2021
Organized by – Computer Science Department
Venue: BCA I, BCA II & BCA III

Aptitude test basically determines the best career path for you depending on your skills and interests. This includes many areas of assessment such as Verbal Reasoning, Numerical Reasoning, Abstract Reasoning and other such abilities.

5. This Aptitude test was designed to understand and acknowledge the abilities of our students. In addition, it also helped to identify the abilities that are strongest as well as the weakest.

Department of Computer Science has organized an Aptitude Test for the students of BCA and PGDCA. The test was divided into four categories viz. Numerical Reasoning, Logical Reasoning, Computer Awareness and General Awareness, where each section contained 10 questions each of 1 mark. Duration given to solve the test was 1 hour.

Numerical Ability:

Numerical ability test included basic numerical problems (missing no., series completion etc), percentages, profit and loss, time &work, speed& distance problems, fraction, ratio, average etc. These questions evaluate how well a person works with numbers. These are also frequently used by employers during employee selection for a board variety of jobs.

Logical Reasoning Ability

Logical reasoning is a rational and critical way of thinking and problem – solving. This test included Venn diagram, blood relation, mixtures & allegation, directions, analogical reasoning etc. These questions are designed to evaluate one's ability to understand, analyze and complete a variety of arguments.

Computer Section:

Computers have become essential in everyday life, and the aptitude for a computer is an imperative section in a lot of competitive exams that are primarily related to employment. This test basically included the questions related to computer science.

General Awareness Section:

General awareness means knowledge about wide range of subjects rather than extensive knowledge in particular subject. This test included10 questions related to general knowledge.

The session was totally based on test pattern and all students responded very actively. Students were very happy for attending such a useful activity. Students also gave their suggestions for further improvement. Altogether 63 students participated in the exam. Ms. Deepa Goldar was the coordinator of the event.

Department of Commerce

Report

2021 – 2022

8th December, 2021

"CAREER PROSPECTS OF CS (COMPANY SECRETARY)"

Lots of studies have been conducted on the relationship between extracurricular activities and academic performance and they all show that students who participate in them have higher grades, more positive attitude towards college and higher academic aspirations.

The department of commerce had conducted the seminar on "Career Prospect of CS (company sectary)" career Guidance Program organized on 08/12/2021 Wednesday at 11:45AM, at the Seminar hall. Our guest speaker was Mr. Sharad Kankani, CA, CS and CMA. He described about the nature of examination of about programs and how to attempt in company secretary examination in detail. The seminar was conducted in the seminar Hall, in which Students largely participated and gained by the very aim of inculcating the habit of right decision at the right time.

The students were benefited with the knowledge of career and importance of the company secretary as he is the key person in the top management, who is crucial to consult before making policy decisions and certain law compliances by the Board of Directors. The students came to know the role of company secretary that, to keep the records, advice, tax returns and evaluate the legal aspects of the organization.

The Head of Department (Commerce) Mr. Vaibhav shrivastava, and team has accomplished the program well. Lastly the seminar was concluded with the vote of thanks to all who have attended the seminar, including the special guest, Director Father, Principles sir, Assistant Director Father, Vice Principal mam, H.O.D, other Faculties and present students.

Resume Making Report -Department Of Management

ST. VINCENT PALLOTTI COLLEGE, RAIPUR
DEPARTMENT OF MANAGEMENT
WORKSHOP ON RESUME WRITING AND INTERVIEW SKILLS
REPORT
2021-22

In today's job market, the resume has become the number one requirement potential employer's request. Before an employer will take valuable time to interview a candidate, he or she wants to meet the candidate – on paper. A resume is an advertisement. It advertises the candidate, their unique skills and qualifications, and it stresses the benefits a candidate has to offer. Most people think that a good resume will get them a job. It is rare in today's market to find an employer who hires anyone solely on what they have read in their resume. Employers want to check the candidate out in person before they appoint them. They want the candidate to substantiate their resume, and see if candidates have the personality they are looking for. This, of course, requires an interview. It is actually the interview that ultimately gets the job.

To equip the students with the technical aspects of effective resume writing and interview skills, the Department of Management organized a **"Workshop on Resume Writing & Interview Skills"** for students of B.B.A & M.Com by Dr. Shweta Bajaj (Asst. Prof., AAFT University) on 21/12/2021. She explained the students about what are the important factors to include in their resume to make it more effective so that the students can get a call for the interview. She also explained the significance of interviews and how a student should prepare to get through it. The session was highly informative for the students as they learnt technical skills for making a resume and effective performance in an interview.

Dr. G. Padma Gouri, Vice Principal of the College felicitated the guest with a thank you momento. Dr. Prachi Singh (H.O.D) along with other faculties of the department was also present. The teacher in charge for the workshop was Ms. Aanchal Mishra.

Report- Expert Lecture

St. VINCENT PALLOTTI COLLEGE, RAIPUR
Department of Computer Science
2021-22

Name of Activity: "An Expert Lecture on Career Guidance & Opportunities"

Organized on: 03/03/2022

Organized by: Department of Computer Science

Mode: Virtual mode via Zoom

Students involved: BCA

The Department of Computer Science has organized a guest lecture on "Career Guidance and Opportunities". This Guest Lecture was conducted for BCA students. The main aim was to create awareness among the students about the opportunities available in the profession related to computer software fields. The speaker of this guest lecture was Mr. Suraj Singh; he himself was a BCA graduate and currently works as a Software Developer with Stoics-IT development India Pvt. Ltd, Bangalore. Mrs. Pooja Rathi (Head of the Department) gave brief introduction of Mr. Suraj Singh. Later on Dr. Kuldeep Dubey (Principal) addressed the students regarding the topic and motivated them. The speaker interacted with the students via Zoom app. He started his talk by introducing himself and described his working environment and corporate culture. He emphasized on the presence of stiff competition in the outside world and how young minds need to be prepared for various challenges. He also talked about the opportunities and positions available in the respective field. He also explained how the youngsters need to be prepared for the changes that will be in store for them in the future. He explained how the students can take up programming to resolve issues that are faced while using other available software.

The lecture was very interactive and students found it very beneficial. The talk provided the students a platform for sharing their thoughts and was endowed with proper guidance regarding all the aspects of career in their core field.

Vote of thanks was given by Mrs. Pooja Rathi (HOD).

Department of Education
Campus Placement Drive 2021- 2022

Report

Placement cell of St.Vincent Pallotti college is completely dedicated to provide a platform where students get opportunities to participate in the activities and events pertaining to their future placement. One of the main objective of placement cell is to prepare students for campus placement by conducting activities like Personality Development classes, Group discussion and Mock interview session. Department of Education of St.Vincent Pallotti College conducted Campus Placement Drive on 02/04/2022 for the students of B.Ed Semester – IV. The placement drive aimed at providing ample opportunities to the students to get placement in reputed schools of Chhattisgarh where they can serve the institutions through their competencies. The inaugural function commenced with Lighting of Lamp followed by Saraswati Vandana. Principal, Dr.Kuldeep Dubey welcomed all the Principals, and Incharges of the participating schools of campus placement Drive. Head of Department of Education, Mrs. Gayatri Iyengar introduced the event, and made audience aware of the objectives and functioning of Placement cell of St.Vincent Pallotti College. Total nine Schools from Raipur and other districts of Chhattisgarh state visited the campus for the placement drive. Teacher trainees of B.Ed Semester- IV and Alumni of the institution participated with remarkable zeal. It was a mesmerizing event as it witnessed the enthusiasm of the participants and support rendered by the delegates of schools. The activity was carried out tirelessly by the placement cell team of students under the guidance and supervision of Placement cell incharge Mrs. Yashswee Lonkar. It was an ecstatic moment for the institution to host the campus placement drive with the assurance that the association with the participating schools would strengthen in future.
