

St. Vincent Pallotti College, Raipur

Session 2022-23

IQAC Action Taken Report

- At the start of the session, the several departments prepared the academic schedule. The university's protocol had been followed in the planning of the full academic session.
- The IQAC submitted a proposal to NAAC for its sponsorship and then to organized NAAC Sponsored National Seminar on 18-19 Nov 2022. Received Research Papers are published in ISBN Book, by the college.
- In order to assure that students receive a high-quality education, IQAC, in collaboration with Management, sponsors faculty participation at conferences, seminars, and research programs. In this session various faculties availed different such events.
- To intensify the Holistic Development of the students, IQAC frequently organized skill development activities like PPT presentation, Quiz, etc.
- IQAC have strengthened the MoUs and Collaborations with other Institutions and have conducted activities under it. In total, 10 MoUs have been added in this session.
- A learner-centric environment that supports high-quality instruction and faculty development has been made possible by the improvement initiatives introduced by the IQAC. The emphasis on a participatory teaching and learning process led to a rise in technological use.
- IQAC has taken initiative to install a Smart Classroom for each Department for the improved Teaching-Learning.
