Report

8th May 2021

A hands on experience activity "POWERPOINT KI PATHSHALA" was organized by Innovative Practice Club on Friday, 7thmay 2021 from 9:20 am to 10:00 am at zoom meet. The main purpose of this event was to make classmates a perfect tech-savvy before internship program. It was very well planned activity and many students voluntarily participated in this activity.
The Innovative Clubs' key goals are:-

- To infuse a culture of innovation.
- To inspire and learn.
- To come up with great executable ideas.
- To have great displays and opportunities for everyone.
- To have a vision of creativity.
- To develop innovators.

A Google form was generated by the club members to learn about their students' technological problems and to encourage them to acquire more knowledge about new technologies. The form listed several digital learning resources and softwares. Based on the overwhelming response to the power point presentation, the innovative club decided to organize "PowerPoint Ki Pathshala".

A team of sixteen club members with the help of club coordinator Dr. Shraddha Verma were present to organize the activity. Neha Shalina Minj welcomed all and gave an informative speech about the importance of virtual learning tools and softwares at the start of the event. Activity was started by Khemin Verma, she gave guidance on how to make powerpoint presentation on mobile and continued by Varsha Kamlani, she gave guidance on how to make powerpoint presentation on laptop.

Students engaged in the activity with enthralled expressions and enquiring minds. As a token of recognition, the participants were given a certificate of appreciation via an activity related task. More than 25 students got the certificate of appreciation. Numerous positive responses were provided by the participants via a Google feedback form generated by the club.

As the activity drew to a close, volunteers' faces were filled with a sense of satisfaction. A total of 91 students participated in the activity. The team coordinator Dr. Shraddha Verma appreciated all those who participated in the activity and making it a huge success.

At the end of the event, Principal sir Dr.Kuldeep Dubey, Vice Principal ma'am Dr. G. Padma Gouri and HOD ma'am Mrs. R.Gayatri Iyengar gave their positive opinion about the activity and appreciated the club members for their hard work, determination and success.

5 Days Workshop
on
"Computer Hardware and Maintenance"

Department of Computer Science has organized a 5 day's **Workshop on Computer Hardware and Maintenance** for BCA students from 15th-19th March 2021 in association with **GLOBAL Computer Institute,** Raipur. Mr. Pramod Pal, Director, global Computer Institute has given the training to the students in the workshop. Objective of this workshop was making students aware about the internal organization of computer system and internal structure of CPU. Also included was taking care of the computer's physical components, such as its keyboard, hard drive, BIOS setting and installation of software. Hands on practice has also been given to students. Daywise schedule of the workshop was:

- **Day-1:** Mr. Pramod Pal shared knowledge about physical parts of computer like: RAM, Motherboard, CPU, Processor, Hard Disk etc. He explained functions of all these parts and students got the chance to see physical devices inside the system.
- **Day-2:** "How to assemble a PC?" was the theme of second day. Students have been given hands on practice for assembling and disassembling process of the computer system, where the steps were monitored by the instructor.
- **Day-3:** In this session the trainer explained about BIOS. He focused on how to know the status of devices, whether they are properly working or not. He discussed about the BIOS, BIOS types, BIOS setting in detail. Students practically learn how to enter in BIOS setting, make appropriate changes and get information of system from BIOS.
- **Day-4:** Preparation of system for installation of operating system was demonstrated by the tutor, he explained all the necessary steps like: create disk partition, format disk etc.
- **Day-5:** Instructor demonstrated installation process like: selection of boot device from BIOS, bootable disk of operating system, installation options in different steps. He cleared the doubts arose by the students.

The session was ended with the vote of thanks by Mrs. Pooja Rathi, HOD, Department of Computer Science. Students reported that they have got good knowledge and this will be very helpful to solve real life problems. They were very satisfied and have demanded more such workshops in future.

Report on PPT Presentation

Online PowerPoint Presentation Competition is conducted by the Department of Computer Science for BCA 1st year students on 12/12/2020. PPT presentation is very important nowadays in professional development. PowerPoint allows users to create, edit and show beautiful presentations with the help of slides. With the help of PPT, one can communicate complex information in simple, graphical and interesting ways to keep the audience engaged.

Developing presentation skills in the students is important for improving communication and creating positive learning experiences. This activity is definitely helpful to gain real-world skills during a job interview. It also develops self-confidence in students and helps to remove stage fear. So, for this purpose Mrs. Abhilasha Khare organized PPT Presentation for the students of BCA 1st year .All the students have very actively participated in the online PPT Presentation competition and explained their respective topics using attractive slides. Total 5 students have participated in the presentation. The time duration allotted to each presenter was 8 to 10 minutes with a minimum of 6-10 slides. Students really worked very hard and presented very well.

Participants and their respective topics for Online PowerPoint Presentation are:

Hanshika Singh- "Cyber Crime"

Himanshu Toppo- "Internet Advantage and Disadvantage"

Fathae Karan Singh- "Animation and VFX"

Sana Parveen- "Artificial Intelligence"

FUN WITH WORDS

REPORT

2020-21

At St. Vincent Pallotti College, we believe in expression of thoughts. To encourage this, management department organised an activity "Fun with Words" for students of BBA and M. Com on 15th April, 2021 at 11 am.

Students actively took part and expressed themselves on virtual platform and freely shared their thoughts. They showcase their vocabulary as the activity was related to the power of words, in which the students were given a set of words and and they have to memorise it without writing it in their notebook and simultaneously they also had to make few meaning full sentences with the help of those given set of words and express themselves.The activity brought everyone closer.Teacher also came to know about their students. It helped the introvert and shy students to take initiative and express themselves.

The activity was a great learning experience for students as they got a platform to express their Knowledge and thoughts.37 students participated in the activity.

All the teachers of the department were present and applauded all the participants for their efforts and presentation. The manner in which students have showcased their vocabulary and presented themselves was praiseworthy.

In-charge for the activity was Mr. Dhaneshwar Yadav .
